SUMMARY

Enthusiastic and highly motivated person to work on new projects with the team. Always ready to take on new challenges and fulfill them efficiently and effectively. Ready to learn new skills and dive into new technologies to upgrade the skill set.

TECHNICAL SKILLS

- **Languages:** HTML, CSS, JavaScript, Java, Python
- **DB:** MySQL
- **Tools:** Git, GitHub, Figma
- **Libraries/Frameworks:** React JS, Bootstrap

INTERNSHIP

Web Development Intern

Crest Computer Institute

- Managed the development and maintenance of a **Website** with a focus on optimal performance and user satisfaction.
- Collaborated closely with the development team to implement a range of optimization strategies based on user feedback and industry trends and led the implementation of the In-app Updates feature in Streamlining workflows.

Android Development Intern

Aurelia Innovatives Pvt. Ltd.

- This was a 6-week internship, where I got introduced to Android Development and I continued developing in Android back-end. It was a great internship for me to start a journey in back-end development.

PROJECTS

Chat-Buddy 🗄 | [React JS](#), [JavaScript](#), [HTML](#), [CSS](#), [Bootstrap](#)

- Developed a personalized chat assistant and implemented interactive features that enhance user engagement, including contextual memory and flexible conversation handling.
- Integrated with Gemini APIs for real-time data retrieval and optimized the system for seamless user experience.
- The project is composed of different technologies like React JS, HTML, CSS, Bootstrap, and many more.

VidTube 🗄 | [React JS](#), [JavaScript](#), [HTML](#), [CSS](#), [Bootstrap](#)

- The VidTube project involves building a web application that mimics the core functionalities of YouTube using the official YouTube Data API.
- This allows you to explore the API's capabilities and create a familiar video browsing experience.
- The project is composed of different technologies like React JS, HTML, CSS, Bootstrap, and many more.

EDUCATION

Bachelor's Degree in Computer Engineering

Savitribai Phule Pune University

CGPA: 8.04

2021 - 2023

Diploma in Computer Technology

Maharashtra State Board of Technical Education

Percentage: 83.26

2017 - 2020

Class 10th

SSC

Percentage: 83.40

2016 - 2017

AWARDS AND ACHIEVEMENTS

- Won **NashLon Hackover 2022** organised by IEEE.
- Won **Carrom Competition** organised by Sapkal College of Engineering.
- Completed **Lasers and its Applications** workshop in Metals & Materials Summit organized by IIT Bombay.
- Completed **Transmission Electron Microscopy** workshop in Metals & Materials Summit organized by IIT Bombay.
